"I liked that there was a variety of activities every day; the kids were never bored, and usually complained when I had to pick them up **(they didn't want to leave).**"

"The variety of activities inside and out as well as the consistency in teachers and counselors from the school year helps a lot with the transition to camp **for the former kindergartners.**"

"I knew it would be good. I like the program and staff and the comfortableness of coming each year. **I know it's going to be good.**"

"I have observed other camps and was kind of appalled at the lack of interaction and supervision the children got from the counselors. I think Super Summer Adventure has just the **right balance of structure** and free play and the staff is **excellent!**"

"I really wanted my kids to **participate in the gymnastics program** (great idea), but couldn't tear them away from the other activities."

**"Good, energetic, happy counselors!"**

"It is really nice as a parent to know that the Super Summer Adventure Camp is a **totally safe and familiar place** for our kids to be with counselors they know and like."

"Year after year, we send our son to the Super Summer Adventure Camp. **This camp offers it all** - art, science, crafts, outdoor play, great field trips and **wonderful staff members** who return every summer. We couldn't ask for a better summer experience!"

# Places To Go

We have journeyed to many exciting destinations in year's past. We have been known to explore an island in search of pirates treasure, go on an African Safari, skate our hearts out on both blades and wheels, visit lama, goat, bee, and jersey cow farms, explore under sea life and outer space on the same day, experience the theatre, attend a wedding in Golden Gate Park, and enter the County Fair, all while exploring the joy in riding public transportation as well as our own chartered yellow school bus!

Our weekly field trips are not only fun and diverse but great opportunities for our counselors to bond with children in small groups of 3-4 kids. Our counselors energetic and engaging personalities enrich the experiences for our young Happy Campers!

So let's pack a deliciously healthy lunch, throw on our walking shoes, slide into our backpacks, and see where this summer's adventures lead us. It's going to be great!
